Invest in the future of Choregus Productions. A Choregus Membership is very much like becoming a member of a museum or other organization and allows us to give our patrons more benefits. We know our patrons lead busy lives and you can't always take advantage of all the season's performances we offer. Choose the membership level that works for you, choose the events that work with your schedule, and still save on your ticket purchases!

Plus, membership contributions are tax deductible.

When you become a Member, you help us:

- Support our community engagement program which reaches more than 7,000 area students and adults annually
- Bring world-class dancers and musicians to Tulsa that otherwise would

not perform in our area

- Offset production expenses and keep ticket prices affordable for the general public
- Reach out to young adults, school children, families, seniors, and more to share the performing arts
